We would be building;
Temples still undone . . .

Teach us to build;

Upon the solid rock

We set the dream that hardens into deed,

Ribbed with the steel that time and change doth mock,

Th' unfailing purpose of our noblest creed;

Teach us to build;

O Master, lend us sight

To see the towers gleaming in the light.

We proudly and fondly dedicate our yearbook to Mrs. Mary Benson. She always has the interest of the students at heart. Always willing and very able to help anyone, she is called upon for many tasks. Her cheerful smile and sense of humor endear her to all students. We often forget to thank her, but we all realize how hard she works for our school.

Mr. Charles E. Fleming — Principal

To The Class of 1968

I congratulate the members of the Senior Class of 1968. This edition of the **West Wind** shall further serve to remind you in years to come of the priceless memories of your high school days.

It is my sincere hope that your lives may be filled with happiness and success, and that you will continue to manifest a spirit of loyalty to West Rowan High School.

Sincerely,
C. E. Fleming
Principal

Mr. Waller, assistant principal, checks on absentees, signs excuses, and helps with many extra-curricular activities. He performs all these tasks in addition to his role as a social studies teacher.

The builder also grows.

the Gap . . .

between our culture and the culture of other lands is one of the basic goals of the study of foreign language and of social studies. As strange French words, various mores, and new ideas of government become familiar to the students, the seeds to a growing understanding and appreciation of the way of life in other lands are planted. Finally, as the American student adopts his second language and studies these new ideas, his view of the world broadens to include the value of the ideas of a people other than his own.

West Rowan's Library . . .

has been a factor in the preparation of the students for later life. Besides the numerous volumes of books, the library subscribes to a wide variety of magazines. Professional pamphlets and the innovation of reserved books for class use have aided in the instruction of students. Other aids include the audio-visual library containing films, records, and tapes.

Our library has made the task of education easier and more enjoyable.

One of the council's most conflicting decisions ... to let the juniors get their rings.

The Student Council: A Corner Stone for Student Life

Headed by an executive council of five elected members, the West Rowan High School Student Association supports a membership of the entire student body.

The Student Council endeavors to stimulate high standards of honor and a high degree of co-operation with the administration in making and enforcing regulations which will encourage a progressive and co-operative campus.

The **West Wind** Staff tries each year to capture the spirit of the students at West Rowan.

The staff endeavors to top the annuals of previous years and to keep the entire student body in mind as it strives to create perfection.

Here you have our finished results, the 1968 **West Wind.**

Editor and Junior Editor—Melissa Davis and Molly Wetmore.

The dedicated staff in a more serious moment.

To the students of West Rowan:

It has been nearly a year ago now that a totally inexperienced annual staff of nine members and an advisor began the almost awesome task of creating the 1968 **West Wind.** Our first weeks were filled with research and gleaning information from previous annual advisors. Mrs. Sue Walser and Mrs. Rachel Morton were very gracious in giving information and answering the myriad questions which we all had.

We stumbled and fell, but picked ourselves up again to keep on laboring in one direction — to produce a **West Wind** of which we would all be proud.

If one were to have entered the Annual Staff room during 4-B period, he would have seen Gail Pinkston writing copy and proofreading the rough copy of other staff members; and Judy Kinley typing the finished product. He would also have seen Molly Wetmore and Kathy Dean identifying class pictures; while Susan Wetmore, Homer Brown, Terry Lowrance, and Eddie Robicheau worked on their respective sections. Even so, not all of the work was done during school hours. The photographers had to work at football, basketball, and baseball games.

My thanks goes to the entire staff who, with and without complaint, have joined together in their efforts, and to Tim McCowan who helped with our art work. Finally, I also thank Mrs. Carolyn Hicks, our advisor, who was always at hand, there if needed, and always willing to work with and to help staff members.

I hope that this open letter will help to recall the experiences shared by the staff members; but we, as the staff, hope even more that the fruits of our labor have resulted in a yearbook which all West students will like and will treasure.

National Honor Society

Those students who have striven long and hard to achieve knowledge and high standards of character are recognized when they are tapped into the National Honor Society. These young people have chosen goals for their lives which may place them among the truly educated which Woodrow Wilson so appropriately described in these words:

The educated man is to be discovered by his point of view, by the temper of his mind, by his attitude toward life and his fair way of thinking. He can combine ideas and perceive whither they lead; he has insight and comprehension. His mind is a practiced instrument of appreciation. He is more apt to contribute light than heat to a discussion . . .

ATHLETICS

Football '67-'68

Success was the byword. Skill in the well-planned offensive and defensive patterns of Coach Morton's twenty-two man squad led West to its best season ever with a total of eight wins, one loss to the North Davidson Black Knights.

West Rowan's football season bounded to a good start with wins over Burns and Taylorsville. Although all games were important ones, the high-flying Falcons defeated Mooresville, with a score of 12-7, for the first time in our school's history and trounced Davie County, with a score of 21-13, for the first time since the 1964 season. East Rowan became the last victim of West when the Falcons handed the Mustangs a 20-7 defeat.

West stepped up the ladder from the lower ranks of the conference to the higher rungs with a record to be proud of.

After a disappointing 1-3 pre-Christmas record, the West Rowan Falcons piled up 15 straight wins to become the North Piedmont Conference champions for the third time in the school's history. All games were important to the team's record, but the final game of the season proved to be the most dramatic of all. The Falcons had to win, and they came through with a 46-44 victory over North Rowan.

After becoming conference champions, the top-seated Falcons went to the NPC Tournament where they played South Iredell in their first round. The Falcons beat South Iredell, went on to play Davie County, and won their sixteenth consecutive win. In the last game of the tournament, our team defeated Central Davidson for the championship of the NPC tournament.

Our Falcon boys then went to the Bi-Conference Tournament where they were defeated for the first time in nineteen games by South Rowan. Success gave Coaches Garrett and Morton, their twelve-man squad, and the students of West Rowan two trophies to be proud of.

Although our lady Falcons won only a few games during their 1968-1969 season, they were as enthusiastic and spirited a team as could be found. They strove toward teamwork and bettered themselves considerably by the end of the season.

The girls put up a good fight, and win or lose, happiness or sadness, it was the way that they played the games that counted.

Wrestling '67-'68

The 1968 wrestling season was boosted by a team of twenty-two strong matmen with a good deal of drive. Coach Walton's work with the boys resulted in Andy Gardner's winning first place in the WNCHSAA tournament in Salisbury and in the team's stacking up nine wins against four losses and a tie. Thus our matmen rolled to the best season record in our school's history, and they deserve credit for their hard work and determination.

Gary Corriher, Keith Freeman, Tom Hall, Benny Hillard, Bobby Jernigan, Bobby Johnson, and Butch Young participated in the association track meet for West.

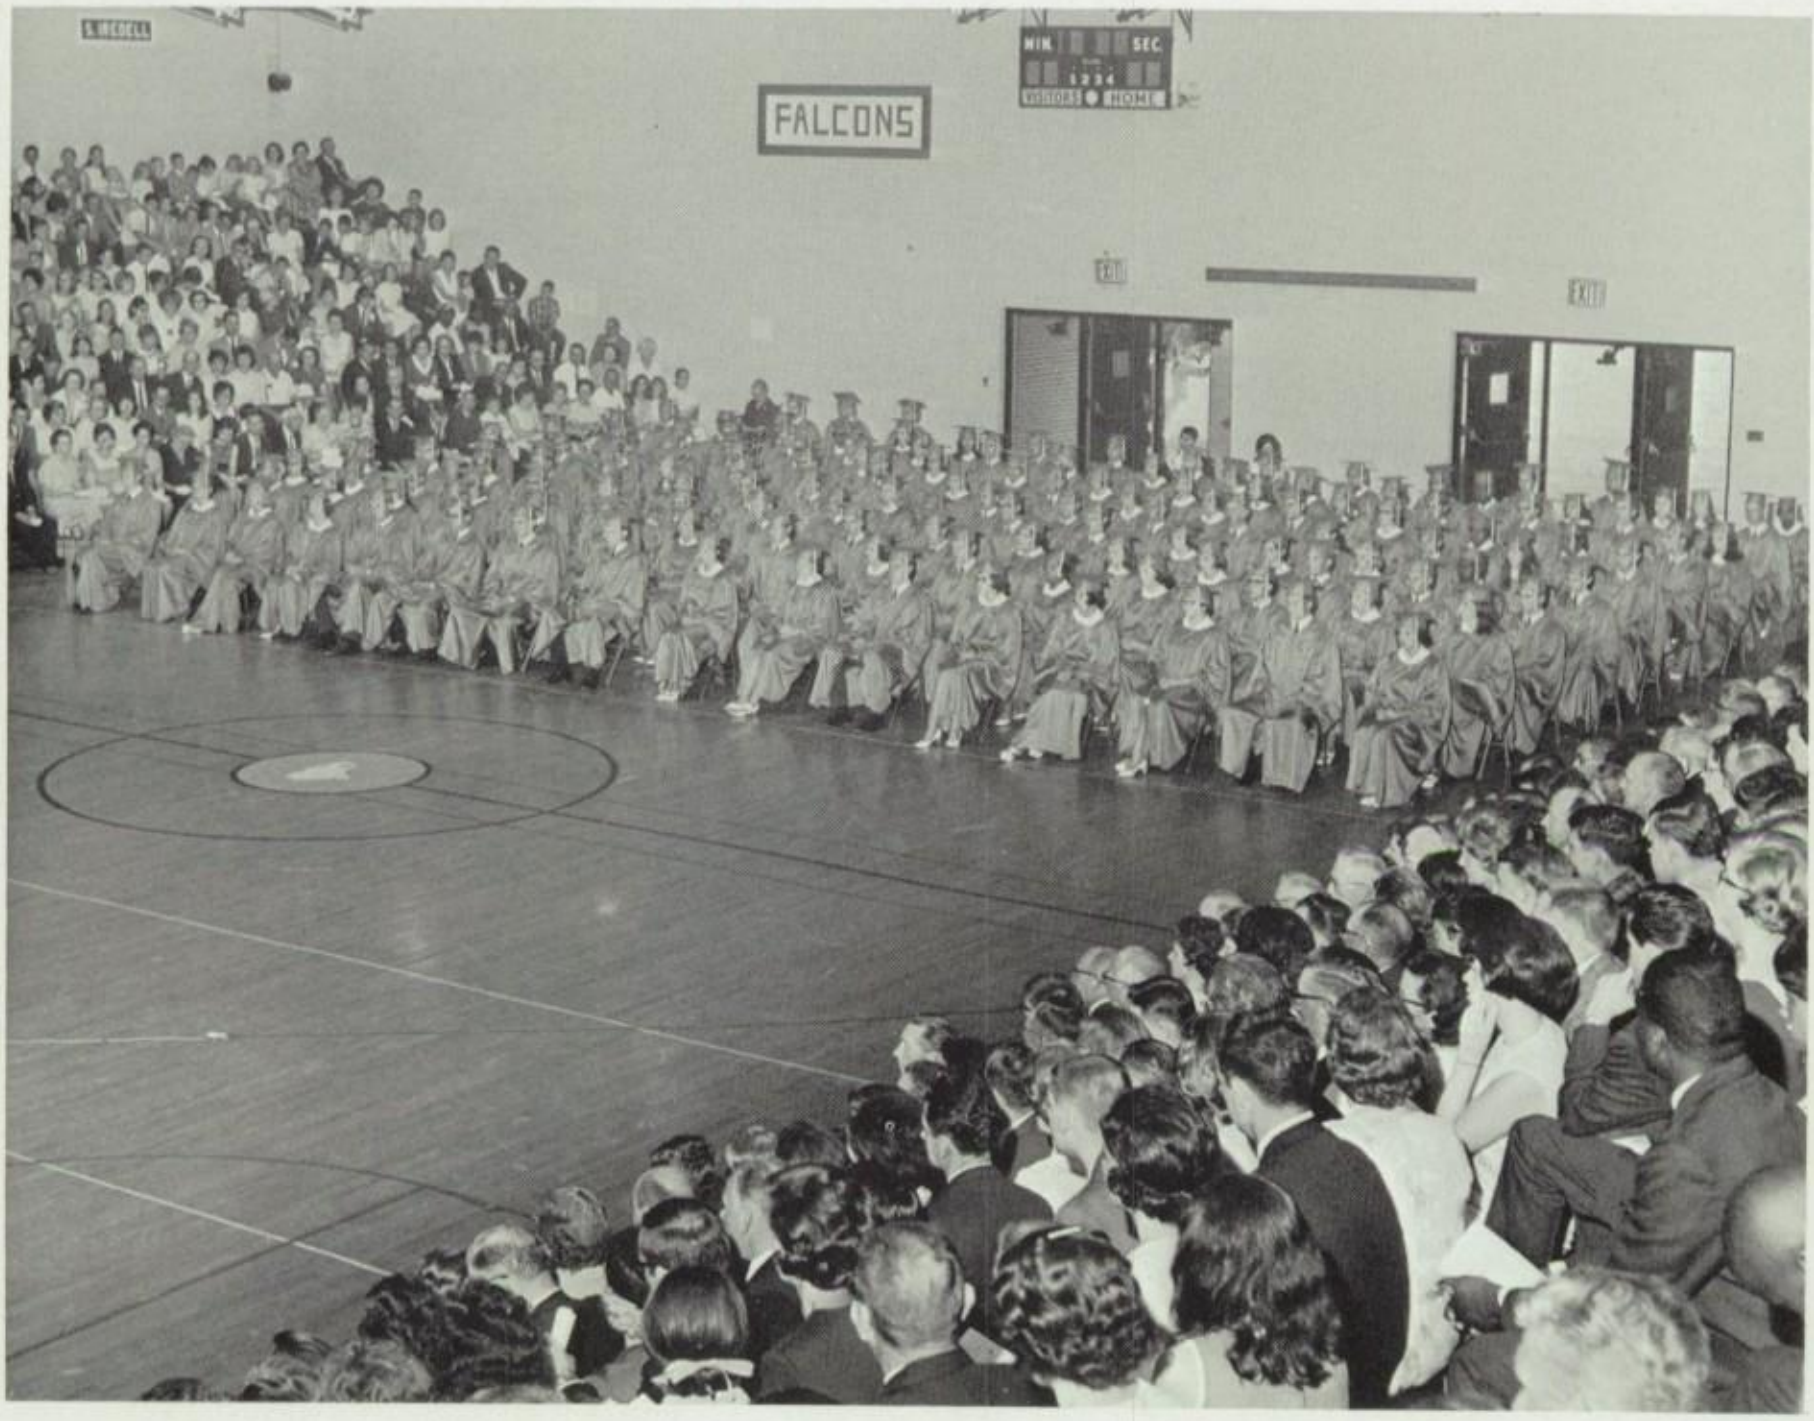
Graduation—1968



The bitter-sweet moment finally arrived. Young women with tears in their eyes and young men with lumps in their throats realized that a plateau had been reached, a chapter had been completed in their lives. The seniors heard graduation speeches presented by their fellow students Gail Lamb, Millie Leab, Elaine Hewitt, Shirley Smith, and Betsy Etheridge; and all of the happy moments of the past came flooding back.

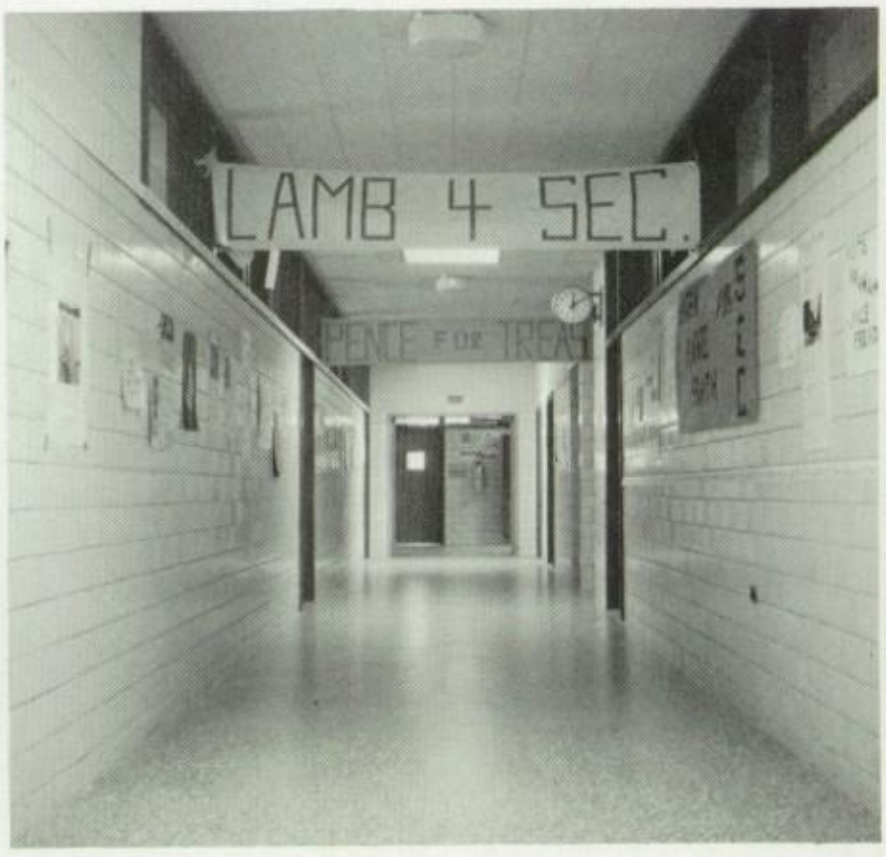
The theme of the graduation was from Charles Dickens' **Tale of Two Cities.**

"It was the best of times, it was the worst of times, it was the age of foolishness, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair."

And yet lies ahead tomorrow and another stone to be laid, another page to be written in the grand whole which is our lives. Our young lives and tomorrow — these will be the building stones of the future of our world.

Elections: Speeches, Candy, Posters

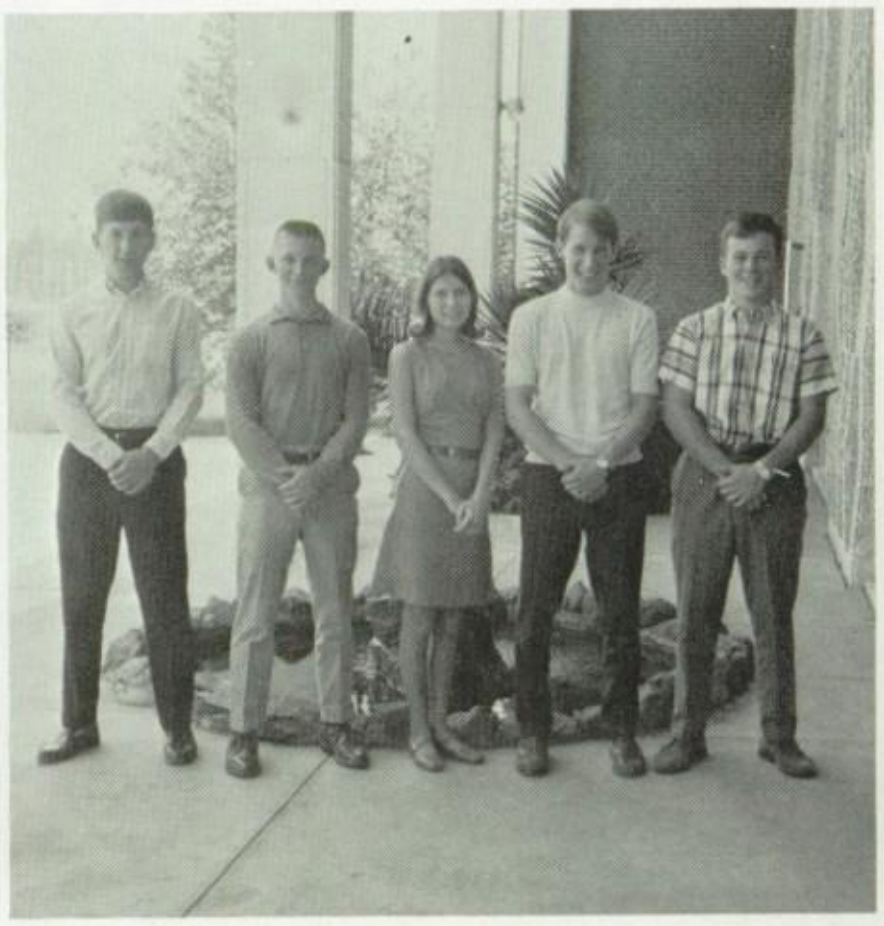
"Good Guy" Mike Ellis and his "group" entertain students before school



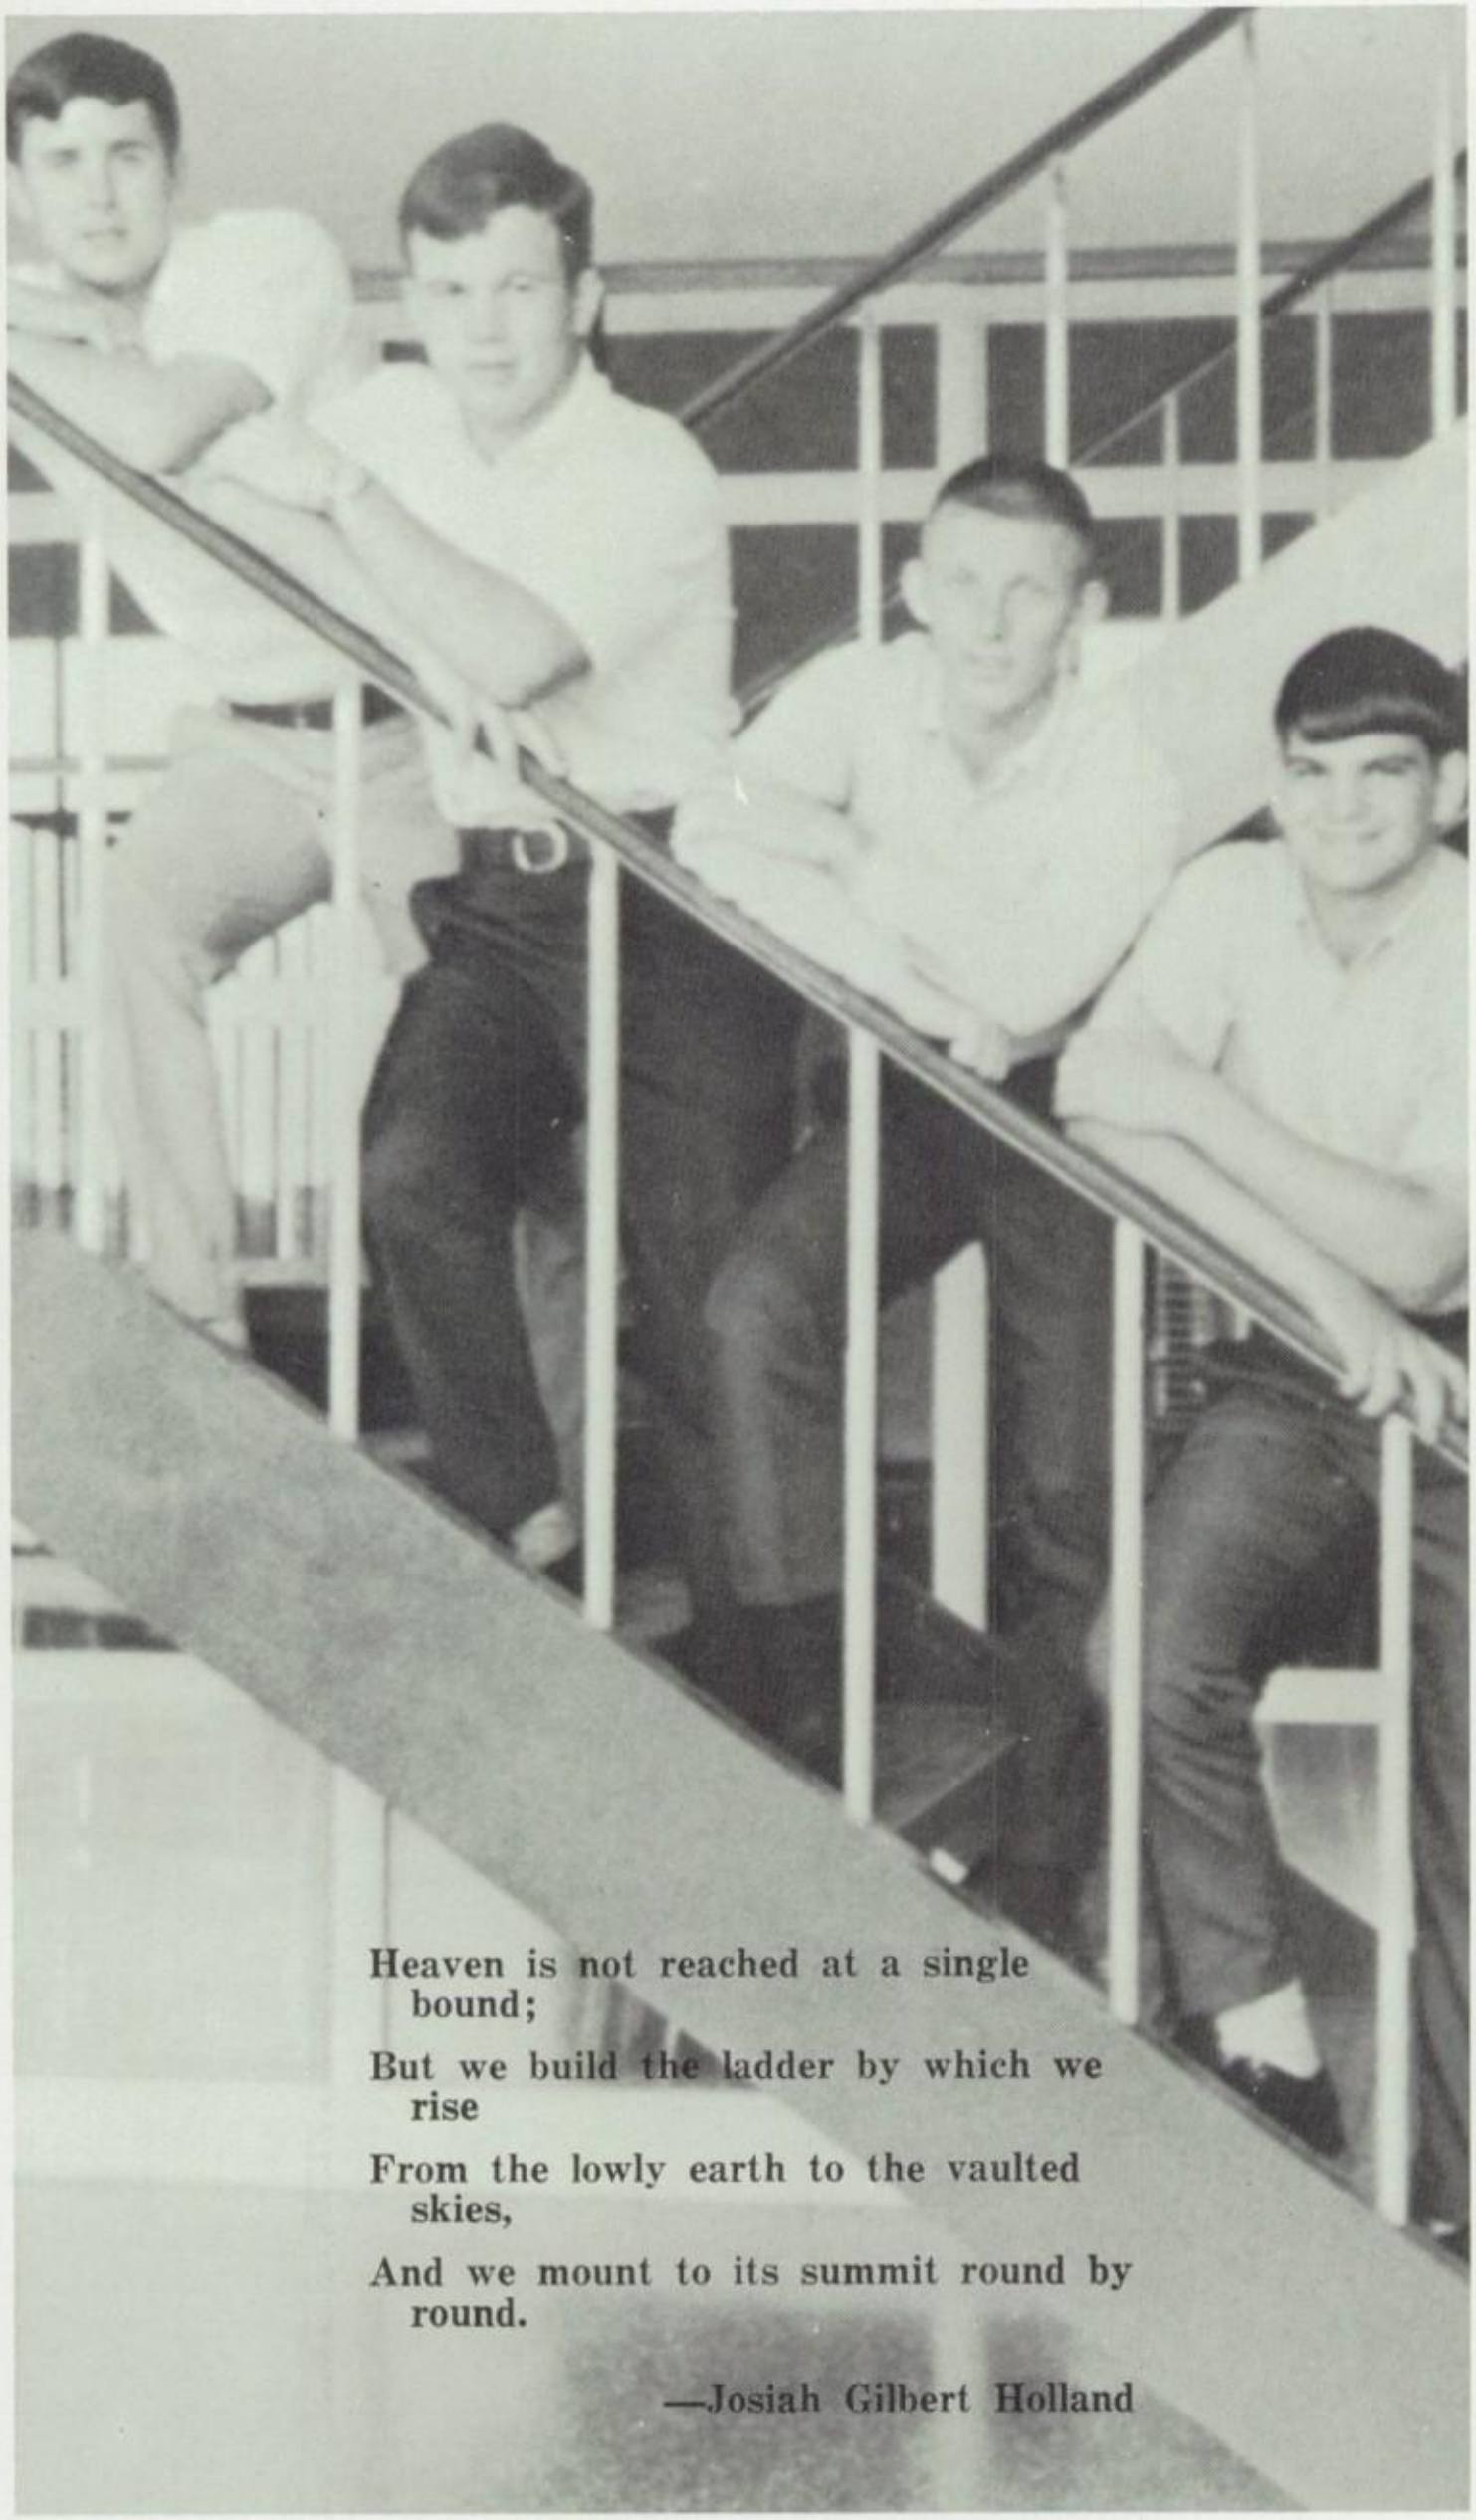
"Deck the halls..."

White hats, whipped cream, "the old wash woman"—all of these had a part in the elections held at West this year. After a week of candy, ribbons, and speeches, students went to the polls to vote. Newly elected Student Council officers for 1968-1969 are Labe Sloop, President; Mike Ellis, First Vice-President; Kevin McNeely, Second Vice-President; Karen Lamb, Secretary; and Roy Pence, Treasurer.

Labe Sloop is sworn in by Mike Hensley, out going president.



New officers are left to right, Roy Pence, Treasurer; Kevin McNeely, 2nd Vice-President; Karen Lamb, Secretary; Mike Ellis 1st Vice-President; Labe Sloop, President.



Heaven is not reached at a single bound;

But we build the ladder by which we rise

From the lowly earth to the vaulted skies,

And we mount to its summit round by round.

In Memoriam

Mark Allen Page

July 29, 1950-July 5, 1967

We are architects of Fate,
Working in these walls of Time...

For the structure that we raise,
Time is with materials filled;

Our todays and yesterdays
Are the blocks with which we build.

Truly shape and fashion these;
Leave no yawning gaps between;

Think not, because no man sees,
Such things will remain unseen.

Let us do our work as well,
Both the unseen and the seen...

Else our lives are incomplete,
Standing in these walls of Time,

Broken stairways where the feet
Stumble, as they seek to climb.

Build today, then, strong and sure,
With a firm and ample base;

And ascending and secure
Shall tomorrow find its place.

—Henry Wadsworth Longfellow
